## Train

We encourage all passengers to make use of the possibility of traveling to/from our airport by train. The new Kraków Airport train station is located near the passenger terminal, at the rear of the multi-storey car park. The connection will be operated by Koleje Małopolskie (regional railways company operating in Małopolska Region). Each train will be equipped with air conditioning, power outlets, Wi-Fi and ticket machines. All trains will also have spaces for disabled passengers and persons with reduced mobility (PRM).

**All trains will be operating 7 days a week.**

**Full timetable available [here](#).**

Kraków Airport train station is fully adapted to the needs of passengers with disabilities, so that the disabled person /PRM will receive our assistance from the exit of the train, to take a seat on the plane.

**For more information regarding assistance for disabled passengers and persons with reduced mobility (PRM) - [click here](#)**
